

Meet Anniken Chadwick

***Our mission is to
provide you with
the very best care
possible.***

Anniken Chadwick

***Registered Physiotherapist
BSc Hons***

Anniken Chadwick seeks to provide the finest patient-centered care in a range of areas. A physiotherapist with advanced training in orthopaedics, Anniken seeks to build rapport and fully understand her patient's needs and goals, which she believes leads to the most effective treatment possible.

Anniken earned her bachelor's of science in physiotherapy with first-class honors from the University of Nottingham, England. Since graduating she has gained experience in providing care in many areas, including spinal, orthopaedic, rehabilitation, trauma, reconstructive, respiratory, and palliative care. She has treated a wide variety of sport, overuse and posture-related injuries and conditions. She also offers a range of skills for treating chronic pain and posture problems, and has an interest in women's health and treating pelvic dysfunction pre- and post-partum.

Anniken loves Vancouver's wonderful quality of life and she has been able to fully embrace her Norwegian heritage by skiing and hiking in the mountains around Vancouver.
